About The Instructor

Louis DiModugno

Louis DiModugno's background includes engagements at General Electric Capital Services, CitiCapital, SAS Institute and The Hartford Insurance Group. His U.S. Air Force background took him around the world improving flight line and aircraft maintenance processes as well as aircraft development with the Naval Air Systems Command. Recently, he was selected for promotion to Colonel in the USAF Reserve. He has an extensive background in Lean, Six Sigma, Workout and Change Management. As a highly regarded, certified Master Black Belt, he is continually sought after for Six Sigma Black Belt and Master Black Belt mentoring.

Mr. DiModugno holds a Bachelors degree in MIS from Rensselaer Polytechnic Institute and an M.P.A. from the University of Oklahoma. He has also completed the military Strategic Developmental Education which is a curriculum based on developing Senior Government Leaders.
