

# ADVANCED MANUFACTURING WORKFORCE PROGRAMS

Looking for a new career direction? Want to work for an employer invested in YOU and your future? Now is the time!

## CAREERS IN MANUFACTURING

Ready to dive into a training program with a path that leads to greater wages and career growth? Discover our various training programs focused on Connecticut's expanding manufacturing industry. After completing training, you'll have the opportunity to meet and connect with employers. **Pay starting at entry-level wages, up to \$30 an hour.**

## NEXT STEPS

Required attendance at one of CCAT's free 30-minute virtual overview sessions to learn about: Connecticut's technology-driven manufacturing industry and career paths available. We'll share a summary of our different workforce programs and their eligibility requirements.

Every Tue. & Wed. 12:00 - 12:30 pm  
Every Thu. 5:30 - 6:00 pm
