

Are you underemployed or unemployed? It's time to...

**REV-Up!**  
**Your Career**

- Competitive pay
- NO prior manufacturing experience or education
- Application closes **12/1/21**

## Careers in Manufacturing

Ready to dive into a career path that leads to greater wages and growth? Discover our various training programs focused on Connecticut's expanding manufacturing industry. After completing training, you'll have the opportunity to meet and connect with employers in the technology driven industry.

*A portion of this program is made possible through funding from Workforce Solutions Collaborative Metro Hartford.*

**MUST attend a 30-minute Zoom session in order to apply.**
